

**We are proud to celebrate NETWORK's 40 years of justice-making!**

On April 14, 2012, we will have a special commemoration at Trinity University in Washington, DC, where NETWORK was founded. It will include:

- An afternoon panel discussion moderated by *Washington Post* columnist E.J. Dionne, with panelists Frida Berrigan, Sr. Carol Coston OP, and Dr. Diana L. Hayes
- Evening awards ceremony, during which NETWORK will honor religious and political leaders who work for social justice – and a young justice-seeker
- Opportunities to connect with other justice-seekers from across the country
- Social hour and buffet supper.

We will also have an online auction and celebration-day raffle. Items to be auctioned include trips and retreats, and the raffle will feature autographed books and other great items.

**Please mark your calendars now and plan to join us!**
