

How do we build peace in our world,
our country,
our homes?

With a foundation of food for all.
pillars of justice,
opportunity,
employment.

Only then can a roof of non-violence be supported securely,
be counted on to stand during heavy storms.

In the name of Christ, may we work to build peace. Amen

Prayer by Kathy Judge for NETWORK Education Program

This prayer is one of a number of resources offered by

NETWORK Education Program.
